

Welcome to the PTA

About our organization

What does the PTA do?

- The PTA plans events to create a fun and memorable elementary school experience for all students. Events include the reflections art program, trunk or treat and the talent show.
- The PTA works with the school to create a sense of community among students, caregivers, teachers, and staff. Events such as the back to school BBQ support this mission.
- The PTA fundraises in order to provide students with a computer teacher and technology education, field trips, and art programs. Without the PTA, these programs would not exist at Naples.

Why join the PTA?

- Joining the PTA lets your child know that you support their education.
- Joining the PTA is an easy way to get involved and connect with other parents and caregivers.
- Joining the PTA gives you the opportunity to voice your opinion.
- Joining the PTA helps you to stay informed.

How do I become a PTA member and sign up for committees?

How much time does the PTA require?

How much time you spend on the PTA is entirely up to you. Every PTA member is welcome to attend meetings, volunteer for committees, plan events, etc. However, there is no obligation to dedicate any time at all to the PTA. You are welcome to participate as much or as little as you like.
